**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. 1.137(B)**

Applicant petitions for revival of the above-identified application, which became abandoned for failure to file a timely and proper reply to a Restriction Requirement mailed April 4, 2007 by the United States Patent and Trademark Office. A Notice of Abandonment was mailed October 18, 2007 and received by Applicant's new counsel on October 20, 2007.

The appropriate petition fee accompanies this petition.

A complete response to the Restriction Requirement is being filed simultaneously with this petition, together with payment of all fees for the required extensions of time.

This utility application was filed on or after June 8, 1995, and therefore no terminal disclaimer is required.

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Date: November 21, 2007

Respectfully submitted,

Paul M. Booth
